## Caddies

Pro-Am/Practice Rounds: Tuesday – Wednesday:

Thursday – Friday:

Saturday – Sunday:

Once your application is complete and submitted, if you are accepted as a caddie, you will be notified by either email or telephone to report to the caddie clinic.

Previous caddie experience is not a requirement for the job, but all potential caddies should have a good understanding of golf etiquette and some golfing experience. Caddies will be paid a minimum of \$35 per round.

Applicants must:

- Be a minimum of 15 years of age
- Be able to carry a large golf bag (30-50 lbs) for 18 holes per day
- Attend a caddie clinic at Paradise Canyon Golf Club if you haven't caddied previously for a professional golfer.

We will make every effort to find a caddie job for qualified candidates. We anticipate we will need over 75 caddies for the event. Caddies will be assigned to a player following the caddie clinic or as players register on Monday and Tuesday of the tournament week (June 18 and 19).

Some players will have their own caddies, so we do not know in advance exactly how many caddies will be required. In addition, some players will request specific caddies and our first priority will be to respond to these requests. In the event that there are more caddies than positions available, a priority list will be maintained based on the order in which people register.
